

# Start-up for Breakfast

Thurs, 21 September 17,  
7.00 – 9.30am

Food  
Works<sup>SW</sup>

## Free breakfast meeting for food and drink start-ups and innovators

The Hive, 6 Beaufighter Road, Weston-Super-Mare BS24 8EE

There are many issues at the forefront of our minds regarding the food & drink industry in the South West of England. For example:

- › What impact BREXIT will have on the Food & Drink industry?
- › How can producers deal with uncertainty over currency, input costs and consumer sentiment?
- › What will be the key issues to make South West of England products and companies successful and how are they able to access finance?

**“Start-up for Breakfast” aims to discuss these and other issues of the moment in a series of events with a chance to question a panel of industry experts.**

There will be the opportunity to meet like-minded people from the food and drinks industry, to share expertise and find sources of inspiration.

### Agenda

- 7.00am Registration, breakfast and networking
- 8:00am Presentations, Question & Answer session

The event will be held at the site of the new £11m FoodWorksSW food and drink innovation centre, which will be a dynamic centre offering food grade business units, product development facilities and a business engagement centre to help new businesses to start their journey and more established producers to innovate and grow.

Ideas, enthusiasm and inspiration through input from the food and drink professionals of the South West will drive the future direction of FoodWorks SW.

See [www.foodworks-sw.co.uk](http://www.foodworks-sw.co.uk) for more information.

### The Panel

John Sheaves, Taste of the West

Karl Goodwin, Creed Foodservice

Vikki Hodge, Rave Coffee Roasters

Chris Smith, Marshfield Bakery

Phil Mills, Old Mill Accountants and Financial Planners

Mark Phippen, SALSA

Attendance is free of charge, however it is essential to reserve your place prior by registering here:
